

GUARANTEE QUALITY

Aldair Industrial Filtration brand performs ongoing research and development effort that allows, regardless of the manufacturing centers, providing customers high quality products.

The products Aldair Industrial Filtration are manufactured under rules 97/23 CEE, EN1593, EN1779, EN12392, EN573-3, EN604-1, EN1320, EN1706, EN20898-1 joining to all air conditioning and climatization standards as EN1822:2009, all of them recognized worldwide as benchmarks of industry's quality.

Aldair Industrial Filtration guarantees its products quality, against any hidden manufacturing defect, for a maximum period of 12 months from date of delivery, unless legislation provides other periods.

If despite all preventive and quality control measures, a defective item reached the end-user, it will be immediately replaced by a new one.

Guarantee limitation

To this guarantee has effect, the manufacturer fixing, maintenance and use recommendations for which the filter is designed must be followed compulsorily, as well as recommendations of brand itself.

Furthermore, Aldair Industrial Filtration doesn't assume reduced lifetime and does not cover failures that are caused by filter placement in wrong applications for which has not been designed.
